Please read and acknowledge the following statements in regards to our privacy and NDA policies. Acceptance of this agreement is required to participate in the upcoming tests.

This Beta Participant Agreement the “Agreement” is a legal document being executed between you and **Certida, LLC (“we”, “us” or “our” and doing business as “VyprVPN”)** that outlines both your and our obligations.

It is important that you are comfortable with these terms and you should read the entire Agreement before you sign it. If you do not understand or agree to any part of this Agreement, do not sign this Agreement.

License: Subject to the terms and conditions hereof, Certida grants to you, for the BETA Test Period, a limited non-exclusive, nontransferable, revocable license to use the VyprVPN software product “Software” in object code format solely for the purpose of your internal evaluation of the Software and not for general commercial use. You will not use the Software or any documentation provided therewith for any purpose other than your internal evaluation and the provision of feedback to Certida.

Feedback. You agree to provide reasonable feedback to Certida concerning the features and functionality of the Software. If you provide feedback to Certida, all such feedback will be the sole and exclusive property of Certida. You will not earn or acquire any rights or licenses in the Software or in any Certida Intellectual Property Rights on account of this Agreement or your performance under this Agreement, even if Certida incorporates any feedback of yours into the Software.

By signing this Agreement, you are agreeing to all the provisions and terms herein, including that Certida has an agreement from you, to:

Actively use and honestly evaluate and provide feedback to us on the Software being tested - in this case, the “VyprVPN” application on the designated operating systems platform(s);

For contact and data analysis purposes only, allow Certida to use any and all information provided to us, either by you directly, through our systems, or through your Betabound tester profile including but not limited to:

Account details (such as user name, unique user ID etc)

Contact information (such as email address, phone number, etc)

Basic personal information (such as name, country of residence, etc);

Not share copies, pictures, or videos of your testing, results or materials used to test in any form with outside parties or on any social media or broadcast platforms.

In order to test the VyprVPN application, you will need to create an account with Certida, instructions will be provided and there will be no charge to you to create this account. The Privacy Policy of the **VyprVPN** application found [here](#), is incorporated herein by reference.

Thank you! We look forward to your participation in the test.
